

CROSS WALK

Generations Walking Together in Faith

CROSSWALK

CROSSWALK is about faith and family.

- Imagine a home where every person feels loved, valued and heard.
- Imagine a family that seeks God's wisdom, will and Word together.
- Imagine a community where everyone experiences care, sharing, comfort and peace.

You can make this beautiful picture a reality by participating in Crosswalk!

Vision

To be a Christ-centered community where every generation is valued, faith is shared, and lives are transformed together in God's love.

"We are many parts, but one body in Christ." — Romans 12:5

What Is Intergenerational Ministry?

Intergenerational Ministry brings all ages together—children, youth, adults, and elders—to share, learn, and grow in faith as one family in Christ.

Instead of separating by age or stage, we build connections across generations, creating spaces where stories, faith, and life intertwine.

"One generation will commend your works to another; they will tell of your mighty acts." — Psalm 145:4

Why It Matters

Faith isn't just taught - it's caught through relationships. When generations worship, serve and learn together:

- Kids learn from the wisdom of elders
- Young people feel valued and known.
- Adults are inspired by children's faith
- Families grow closer in Christ
- The whole church becomes a living expression of God's family.

It's not just a program - it's a way of being church together.

Who Is It For?

Everyone - from babies to great-grandparents!

Whether you're single, part of a family, new to faith, or long-time in the pew, this ministry is for you.

What You Can Expect

CROSSWALK is designed to foster intergenerational community by bringing generations together around four activities based on the early church in Acts 2:42, *"They committed themselves to the apostles teaching and to the fellowship, to the breaking of bread, and to prayer"*.

Studying God's Word Together

Each theme event will connect each session to a Bible story or key Scripture. The Scripture will be shared at each table or with the whole group in a variety of styles, ie; reading aloud, taking turns around tables, sharing the Scripture or story through a skit, or reading a modern interpretation of the Word.

Playing Together

The goal of Playing Together is to foster relationship building through play. Each session of CrossWalk includes two or three suggestions for Playing Together, like games, crafts, outreach projects and more.

Praying Together

The goal of Praying Together is to praise and worship God through prayer. Prayers in CrossWalk may include singing, praying aloud, a call with responses, praying through art, and many more. It is intended as a time for the entire group to focus and centre their attention on Christ.

Breaking Bread Together

The goal of Breaking Bread Together is to build relationships around the meal and table. Each session includes a blessing for the food.

CROSS WALK

Every age and stage has something to give and
Every age and stage has something to receive.
